Comments on the operations and the results of those operations are set out below:

On the 11th of March 2020, the World Health Organisation declared the Coronavirus or COVID 19 a pandemic. COVID 19 is a health risk that has global consequences which has significantly affected the world economy. The strategies adopted by governments in dealing with the virus at an international, domestic and local level are changing daily and re-assessments by governments and world leaders is ongoing. Various industries have and will continue to be impacted more than others for some time to come.

The impacts of COVID 19 continue to affect the financial position of the Company as at the date of this report, and the financial results for the year ended 30 September 2022 and at the date of this statement. The COVID 19 pandemic has created unprecedented uncertainty in terms of the overall economic environment such that economic events and conditions in future may be materially different from those experienced by the Company as at the date of this report. At this time, it is not possible for the Company to estimate fully the future effects of COVID 19 on its operations as any impact will depend on the magnitude and duration of the downturn in the tourism and hospitality industry.

There has not been any other matters or circumstance that has significantly affected, or may significantly affect, the operations of the economic entity, the results of those operations, or the state of affairs of the economic entity for the remainder of the financial year after quarter ended 30 September 2022.

For the quarter ended 30 September 2022, International Equities Corporation Limited (IEQ) generated revenues of \$1.877 million mostly from Hospitality and Tourism and Real Estate management activities as indicated in the table above. Revenues were up 75.09% from a low base as compared to quarter ended 30 September 2021.

For the same quarter ended 30 September 2022, expenses from normal operating activities were \$2.195 million mostly from Hospitality and Tourism and holding cost of properties held for investment as indicated in the table above.

For the quarter ended 30 September 2022, unaudited consolidated post tax loss was \$0.318 million down 37.28% as compared to quarter ended 30 September 2021 as explained above.

For the rest of financial year 2023, IEQ will continue its sale of apartments to reduce our exposure to loans. In the hotel and tourism sector, efforts are being made to encourage long stay tenancies where possible to mitigate against low occupancies until such time we return to normalise trading. Leasing will remain our focus.
